

STREET PHOTOGRAPHY

- One of the hardest genres of photography to master.
- It requires patience a quick eye and a faster shutter finger and finding the right location.
- No posing unless taking street portraits.
- Current Photographers:

Bruce Gilden NEW YORK

Martin Parr ENGLAND

Susan Meiselas USA

ALL MAGNUM PHOTOGRAPHERS

Richard Kalvar USA

Carolyn Drake UAS

Peter van Agtneal 911 WARS USA

Mark Power ENGLAND

Masters

Brassai PARIS

Daido Moryama JAPAN

Doisneau PARIS

Henri Cartier-Bresson PARIS

Vivian Maier CHICAGO

Most street photography is shot for B/W but modern photographers are using Colour.

The photographers are my choices and not necessary ones that are liked by everyone but they give a good insight into street photography.
