

***Message from Club President Carla Hamilton:
2022-2023 Annual Awards Report:***

There is a lot of planning and work done by the Awards Committee, with Thomas Keigher, Glenn Disney, and Kayla Stevenson to bring you each year's awards report and evening. We would be remiss if we did not also acknowledge a host of others, greeters for the evening Susan Kuyer, Irene Theriau, beverages and food Grace Yang, Photographer Karen Reynolds, Audio Video Ken Stratychuk and Kayla Stevenson.

We also have to have people to give awards to, the people who participate and work hard at their craft.

Thank you to all! We really are the strong and active Camera Club because of you.

Below are the awards and the winners.

Novice Projected Award

This award is available to all members who finish in June Advancement Levels 1-3 and submit a minimum of 6 Evaluation Night Projected Images in the current season. It acknowledges proficiency in Projected images made by Novice Club members. Members enter projected images (digital or slide) to the monthly Evaluation Night. Only their highest projected score for each month is counted towards this award. Each member's highest projected scores from the monthly Evaluation Night will be added together at the end of June. The member with the top score will be awarded the LCC Novice Projected Trophy and will receive a certificate; the number of runner-up certificates awarded will be proportional to the number of members eligible for each award as determined by the Awards Committee.

Award Recipients:

Outside Competitions Award

The Langley Camera Club participates in Outside Competitions sponsored through the Canadian Association for Photographic Art and/or individual camera clubs approximately a dozen times per season. All members are encouraged to participate and submit images for the selection process. (Images that have been submitted to Inside Competitions may also be submitted for club entries for Outside Competitions.) Members that have their image selected as part of the Club submission receive the score awarded to them from that competition. Members that submitted images for consideration but were not selected receive 10 points to acknowledge their

participation in the competition. Notwithstanding these scores received, in order to qualify for the award members must submit images to a minimum of 50% (rounded down) of the competitions made available in any year by the Club and have at least one of their image submissions during the year selected to be part of a Club entry in an Outside Competition. Each participating member's scores from these Outside Competitions will be added together at the end of June. The member whose Outside Competitions Aggregate Score is the highest will be awarded the LCC Outside Competition trophy and will receive a certificate; the number of runner-up certificates awarded will be proportional to the number of members eligible for each award as determined by the Awards Committee.

Award Recipients:

1. Walden, Colleen - OUTSIDE COMPETITIONS TROPHY

Most Improved Member Award

This award is available to all members (excluding first year members) who submit images a minimum of 7 Evaluation Nights in each of the previous and current seasons. Each member's average score is calculated by dividing their aggregate score by the number of months in which images were submitted (minimum 7). The award will go to the person with the largest percent increase between their highest average score last season and their highest average score this season. The member with the most improvement will be awarded the Most Improved Member trophy and will receive a certificate; second & third place will receive a certificate; the number of runner-up certificates awarded will be proportional to the number of members eligible for each award as determined by the Awards Committee.

Award Recipients:

1. Sharp, Patricia - MOST IMPROVED MEMBER TROPHY
2. Semenoff, Lesley
3. Stevenson, Kayla
4. Ruffeski, Joy
5. Reynolds, Karen

New Member Award

To be considered for this award, new members must have submitted images in at least six Evaluation Nights in their first ten consecutive Club months of membership commencing with

the month in which they become an active member and ending in the current club year. Only the highest scoring image in each evaluation is tallied. The average score is calculated by dividing their Aggregate Score for their first ten consecutive months of active membership by the number of those months in which images were submitted (minimum six). The award goes to the new member with the highest average score. The new member with the highest average score will be awarded the New Member Trophy and will receive a certificate, the number of runner-up certificates awarded will be proportional to the number of members eligible for each award as determined by the Awards Committee.

Award Recipients:

1. Nicholl, Lauren – NEW MEMBER TROPHY
2. Baziuk, Alix
3. Taylor, John
4. Lund, Ann
